An update of family news

Fall 2008

From Ruth and Tom ruthmravinc@yahoo.com

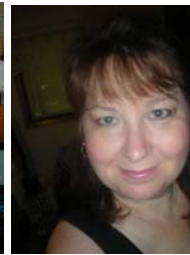

We have had a busy summer, despite my bum knee. It's healing slowly but surely since the surgery. I went to Florida—then Tom and I went to Las Vegas to Visit Leslie and Tony. Then came the Babies! Zander and Cooper. That makes 19 of us now!

Elaine with brand new Darla

*Elaine and Mark's baby, Darla, is no longer a baby! She turned one in June and is now a full blown toddler, keeping up with her brother and sister. She's cute as a button!
(Of course, we think she's got buttons beat to pieces!)*

Jonathan starts 1st grade this year

*Layla is one of those kids you can't take your eyes off of—Either she is being incredibly cute, or incredibly naughty!
They spend a lot of time with their cousin, Levi*

From Anna and Victoria

anna.mravinc@usbank.com

They moved in with a friend in Brooklyn Center. It's a very nice town home with plenty of space. (Anna Mravinc and Ana Moralis—funny!)

Victoria is 14 and yes, she tried the red head life—fire engine red! Ever so brief, thank goodness.

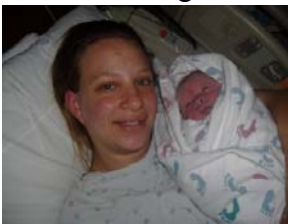

She starts a new school—geared toward learning the music business. A good fit—we think. She loves to sing.

Brand new Baby Zander is here! 6-10-08

It was difficult to hear that Zander has Cystic Fibrosis, but he is doing *very well*. We are so proud of Ed and Dana for being such caring and well-informed parents. Ozzy and Zander are truly blessed!
